## Four great reasons why you should attend this event...

1. This is the ONLY membership & association-specific governance event
2. Speakers include a mixture of expert accountants, solicitors and consultants
3. Conference content will be tailored to your organisation's requirements
4. It will be a unique opportunity to network with people involved with the governance of membership organisations and associations

## Don't take our word for it...

'A fantastic day that was organised brilliantly and set a very high standard!'  
*Chartered Institution for Highways and Transport, CIHT*

'An excellent day that met all expectations and enabled me to make some great contacts!'  
*British Institute of Facilities Management, BIFM*

'A really helpful seminar hitting just the right level. It would be difficult to suggest what else could have been covered'  
*The Organisation for Professionals in Regulatory Affairs, TOPRA*

'The event included some great sessions that were very informative'  
*Royal College of General Practitioners, RCGP*

'This event stood out. Well don't on an excellent day. The event content was concise but very comprehensive'  
*National Vegetable Society, NVS*
